Downtown Oasis

Description

In Centro, yet a private country paradise of fruit trees, tropical flowers and even chicken (can stay or go!) on 1370 sq. meters of land! The house is newly built and comfortable, about 2730 sq. feet, designed for the US lifestyle with amenities such as air conditioning throughout. TV room/study, dining room, large country kitchen and three big bedrooms each with its own private bath. Large laundry room/bodega.

The orchard has just about every kind of fruit which grows in Yucatan - oranges, lemons, grapefruit, mango, guanabana, all protected by high walls and very, very private. Electric gate for street access and parking for four cars! Priced at \$150,000 USD or near offer.
