## Beautiful Garden

### Description

Beautiful home in Centro near the new Visual Arts College, with large lot - 1,196.55 sq meters. The garden is planted with palms and fruit trees.

Three bedrooms all with bath, living and dining rooms, service quarters also with bath, laundry area. A large airy terrace overlooks the gardens and big pool (4m x 6m). Also in the garden another small restored room which can make a guest room, mother-in-law suite or seperate office.

All city services including 220 electricity...and your own well for irrigation. Here you can enjoy both peace and quiet AND the fun of living close to everything in the Historic Center!
